The meeting came to order at 7:10pm.

The attending board members reviewed the revisions made previously to the club's by-laws. Since there was no quorum, the board tabled the vote on accepting the revisions. Since the revisions need to be sent to the general membership 10 days prior to voting at a meeting, and the planned meeting is in late March, the executive committee will contact board members via phone to vote on the revisions.

The remainder of the meeting was dedicated to planning the *Canine Athlete and Family Dog Symposium*. It was decided that the timeframe of the symposium should be narrowed to one day – Saturday, April 8, 2006. The keynote speaker has been confirmed. The planning group will continue to pursue speakers for the day, as well as solicit vendors to participate.

The planning group will meet again on Tuesday, February 21 at 7pm at the clubhouse. Anyone interested in assisting is welcome to attend.

## Next Meeting

The next general meeting will be Wednesday, March 1<sup>st</sup> at 7pm at the clubhouse.
